

Hiring Manager

One Loop Studio

Dear Hiring Manager,

I am excited to apply for the Frontend Developer position at One Loop Studio. With experience in React, Next.js, and CSS frameworks, along with expertise in state management using Redux and Zustand, I am eager to contribute to your innovative projects.

At Pioneer Associate, I developed responsive web applications that enhanced user engagement by 30%. My collaborative approach and attention to detail ensure high-quality design and functionality in every project.

I admire One Loop Studio's commitment to creativity and user experience, and I would love the opportunity to bring my skills to your talented team.

Thank you for considering my application. I look forward to discussing how I can contribute to your work.

Best regards,

Raj Koirala
